Safe and responsible travel, always.

As you look to get back on the road, we continue to ensure our trips are safe for everyone. That includes our travellers, our leaders and crew and the people we visit along the way. Our health and safety policies follow recommendations from the World Health Organization and the World Travel & Tourism Council's (WTTC) Safe Travel protocols for tour operators. Before we resume trips in any destination, our itineraries undergo a comprehensive risk assessment and audit, while leaders and suppliers will complete COVID-19 health and safety training. We have also introduced specific policies around testing and vaccination for your safety.

Who we are

For over 30 years we've been taking travellers around the globe, on small group tours with like-minded Intrepid people. Our extensive COVID-19 Health & Safety Guidelines ensure your wellbeing is looked after during your travels.

Safe travels

We're with you every step of the way through our value chain - from our suppliers, to our on ground operations and leaders.

Certified B Corp

When we became certified as the world's largest travel B Corp in 2018, it was not only our official pledge to be a responsible business, but also a promise to be the best travel company for the world.

About your Driver/Driver Guide/Tour Leader

Tour leader

On this trip you will be accompanied by one of our tour leaders. The aim of the tour leader is to take the hassle out of your travels and to help you have the best trip possible.

Your leader will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the places visited on the trip, including historical, cultural, religious and social aspects. We aim to support local guides who have specialised knowledge of the regions we visit. If you were interested in delving deeper into the local culture at a specific site or location then your leader can recommend a local guide service in most of the main destinations of your trip.
